### **Three Join GWWO, Inc./Architects**

(Baltimore, MD) – Bryan Fisher, Bivek Poudyal, and Bill Melliush have joined the architectural team at GWWO, Inc./Architects.

Mr. Fisher holds a Masters of Architecture degree from the University of Florida and a Bachelor of Arts, with concentrations in Historic Preservation and Theater Design, from Goucher College. He is also a LEED® Accredited Professional. He brings five years of experience and a background of historic preservation, commercial, and residential projects to the firm. At GWWO, he is currently serving on the design team for an expansion and renovations to the Hodson Hall Student Center at Washington College.

Mr. Poudyal holds a Bachelor of Science in Business Administration, with a minor in Architecture, from Drury University, and will soon complete a Masters of Architecture degree at Morgan State University. He is also currently serving on the design team for the expansion and renovation of Hodson Hall at Washington College.

A graduate of Penn State University with a Bachelor of Architecture degree, Mr. Melliush has six years experience and a strong background of civic, retail, and commercial projects. At GWWO, he is a member of the design team for the new West Village Commons Building at Towson University.

GWWO, Inc./Architects is a full service architectural firm that specializes in the planning and design of cultural and educational facilities, with emphasis on quality design that is both evocative and inspirational. Current projects include a new Visitor Center for Fort McHenry National Monument & Historic Shrine in Baltimore, MD, the expansion and renovation of the Gibson Performing Arts Center at Washington College in Chestertown, MD, the adaptive reuse of an historic bank complex to house new facilities for the Fredericksburg Area Museum & Cultural Center in Fredericksburg, VA, and a new Education Center for the Russell W. Peterson Urban Wildlife Refuge in Wilmington, DE.
