GWWO, Inc./Architects Promotes H. Robert Mock

Baltimore, MD (December 17) – GWWO, Inc./Architects has promoted H. Robert Mock, III, AIA to an associate position with the firm.

As a registered architect, Bob joined GWWO in 2010 with ten years of experience. Since joining GWWO, his career has focused almost exclusively on educational projects. He is currently working on the design for the new Severna Park High School, the design and renovation of the Tawes Theater at the University of Maryland College Park, and recently finished work on the new Dundalk and Sollers Point High School. As a project manager, he has worked on several projects for Baltimore County Public Schools, including at Dunbar High School.

In addition to his architectural duties, Bob serves as the firm's in-house technology expert and has recently implemented a new intranet for the firm.

Bob holds a Bachelor of Architecture from Virginia Polytechnic Institute and is a member of the Baltimore Chapter of the American Institute of Architects.

GWWO, Inc./Architects is a full service architectural firm that specializes in the planning and design of cultural and educational facilities, with emphasis on quality design that is both evocative and inspirational. Current projects include a new Interpretive Center for Morven Museum & Garden in Princeton, NJ; a STEM building at the Community College of Baltimore County Catonsville; the new Cade Museum for Creativity + Invention in Gainesville, FL; and the new Severna Park High School in Severna Park, MD.
