GWWO Welcomes Lacey Anthony

Baltimore, MD (March 24) – GWWO, Inc./Architects is pleased to welcome Lacey Anthony to the firm's architectural staff.

Joining with nearly four years of experience in the A/E industry, Lacey's design expertise ranges from performing a full spectrum of work at a start-up architectural design firm, including high-end residential and unique commercial spaces—such as, a hot yoga studio, microbrewery with event space, artist studios, indoor markets, and co-working spaces—to focusing predominantly on high-end hotels and multi-family public areas at a large interior design firm. Lacey received her Bachelor of Science in Architecture from the University of Maryland College Park.

GWWO, Inc./Architects is a full service architectural firm that specializes in the planning and design of cultural and educational facilities, with emphasis on responsible design that is inspirational, evocative and progressive. Current projects include the new Pikes Peak Summit Complex in Colorado Springs, CO; the Health Careers Technology Building at the Community College of Baltimore County in Baltimore, MD; the new Cade Museum for Creativity + Invention in Gainesville, FL; and the new Severna Park High School in Severna Park, MD. The firm celebrated its 25th Anniversary in 2015.
