GWWO Welcomes Two New Employees to the Firm

Baltimore, MD (March 30) – GWWO, Inc./Architects is pleased to welcome Jessica Miller and Anthony McAllister to the firm.

Jessica Miller joins the firm as an Administrative Assistant. In this role, she will provide support for the construction administration phase of projects. Jessica is currently enrolled at the Anne Arundel Community College and is taking courses towards earning her Associate Degree in Human Resources and Business Management.

Anthony McAllister joins the firm's architectural staff as an intern architect with five years of experience in the AEC industry. His background includes public safety projects such as police, fire, and paramedic stations, civil/municipal buildings, and commercial facilities. Projects he has worked on have ranged from building fit-outs and renovations to entirely new facilities. Anthony graduated from the University of Maryland College Park in 2012 with a Bachelor of Science degree in Architecture.

GWWO, Inc./Architects is a full service architectural firm that specializes in the planning and design of cultural and educational facilities that enrich the human experience through responsible design that is inspirational, evocative, and progressive. Current projects include the new Pikes Peak Summit Visitor Center in Colorado Springs, CO; the Health Careers Technology Building at the Community College of Baltimore County; the new Cade Museum for Creativity + Invention in Gainesville, FL; and the new Severna Park High School in Severna Park, MD.
