## GWWO Welcomes Two New Employees to the Firm

Baltimore, MD (August 11) – GWWO, Inc./Architects is pleased to welcome Collin Mickey and Gene Bauer to the firm.

Collin Mickey joins the firm’s architectural staff as an intern architect with two years of experience in the AEC industry. Since receiving his Bachelor of Architecture degree from Virginia Tech in 2013, Collin has worked on projects ranging from residential housing to a private commercial air hangar. He has a special interest in methodologies of fabrication including both digital and physical space making.

Gene Bauer joins the firm’s architectural staff as an intern architect after receiving his Master of Architecture degree from Morgan State University. Prior to, Gene received his Bachelor of Science degree in Architecture and Environmental Design from Morgan State University and his Associate of Applied Science degree from Anne Arundel Community College.

GWWO, Inc./Architects is a full service architectural firm that specializes in the planning and design of cultural and educational facilities that enrich the human experience through responsible design that is inspirational, evocative, and progressive. Current projects include the new Pikes Peak Summit Visitor Center in Colorado Springs, CO; the Health Careers Technology Building for the Community College of Baltimore County’s Essex Campus; the new Cade Museum for Creativity + Invention in Gainesville, FL; and the new Severna Park High School in Severna Park, MD.
